**STATEMENTS FROM EL PASO COUNTY ATTORNEY  
JOSÉ R. RODRÍGUEZ REGARDING THE VOTING  
MACHINES COMPLAINTS**

“Up until this moment, all we have are allegations of voting problems. We are investigating the complaints our office received to determine if indeed there is a problem with the Diebold electronic voting machines. At this time there is no reason to believe the election has been compromised in any way.”

“El Paso residents should not feel discouraged by these complaints. They should go out and vote on Tuesday. Our community needs high voter participation. Just be extra-careful when voting to make sure the ballot reflects your candidate choices.
