

ATTENTION E-FILERS

Notice of Temporary Disruption

Dear Valued E-filer:

Effective, January 20, 2012 the E-filing service through Texas.gov must be temporarily disabled. In an effort to provide expanded service to filers and to insure utmost attention to individual filings, Texas.Gov requires some down time as they upgrade the eFiling system for increased integration with the Odyssey Case Management System. We are working diligently with Texas.Gov, Tyler Technologies and ITD to resolve all issues and restore and improve quality service to you.

All filings during this temporary down time must be submitted in person or mailed to:

**Office of the District Clerk
500 E. San Antonio, Suite 103
El Paso, Texas 79901**

We apologize for any inconvenience you may experience during this disruption of service. Thank you for your patience.
